

FNX™-45 TACTICAL

CARRY THE FUTURE™

HANDGUNS

FNX™ Series

The FN[®]X™-45 Tactical is the latest in technological advancements in handgun engineering, offering .45 ACP performance and a package of unique features no other handgun can match. The checkered polymer frame has a low-bore axis for reduced felt recoil and enhanced operator controls. Interchangeable backstraps come standard to quickly customize the grip feel and all operating controls are fully ambidextrous. The cold hammer-forged, stainless steel barrel has a threaded muzzle to accept sound suppressors, compensator's and other accessories while the slide has night sights and includes two mounting bases to accept multiple styles of optional red-dot electronic sights.
