A los niños les atraen las armas de fuego y las pueden hacer funcionar. Ellos pueden causar lesiones graves y la muerte. Evite que los niños tengan acceso a las armas de fuego guardándolas siempre con llave y descargadas cuando no las esté utilizando. Si usted tiene un arma de fuego cargada en un lugar en que un niño tiene acceso a ella y la usa indebidamente, le pueden dar una multa o enviarlo a la cárcel.

ADVERTENCIA

Children are attracted to and can operate firearms that can cause severe injury or death. Prevent child access by always keeping guns locked away and unloaded when not in use. If you keep a loaded firearm where a child obtains and improperly uses it, you may be fined or sent to prison.

WARNING

Savage Arms
 The Definition of Accuracy

Safe ownership is your responsibility. Please thoroughly read and understand this manual before loading your firearm.

Keep firearms and ammunition away from children. Lock unloaded firearms and ammunition securely in separate locations.

This manual should always accompany your firearm and be transferred with it upon change of ownership. This is your responsibility and may protect you from future liability.

AXIS I (STANDARD TRIGGER) and AXIS II (ACCUTRIGGER)

Congratulations on the purchase of your new firearm. You are now part of the Savage Sports Corporation family of quality firearms which includes Savage Arms, Inc., Savage Arms (Canada), Stevens, and Fox. With reasonable care, your firearm should deliver years of reliable service and perform to our "definition of accuracy".

THIS MANUAL IS EXTREMELY IMPORTANT.

The safety warnings and instructions in this manual are very important. By understanding the dangers involved in the use of any firearm and by taking the necessary precautions, you can use your Savage firearm in complete safety. However, failure to read, understand, and obey any of the warnings may result in serious injury or death to you or others, as well as severe damage to the firearm or other property.

This manual should always accompany your firearm and be transferred with it upon change of ownership. This is your responsibility and may protect you from future liability.

Savage Arms offers firearms designed in two ways: STANDARD TRIGGER (AXIS I) and ACCUTRIGGER (AXIS II). There are major differences between the two and it is the user's responsibility to read and understand them in their entirety. IF YOU USE IT IMPROPERLY – IT WILL NOT WORK. MORE IMPORTANTLY, IF YOU USE IT IMPROPERLY – SOMEONE MAY BE SERIOUSLY INJURED. IN BOTH CASES, THE KEY WORD IS YOU!

AS WITH ANY SAVAGE OR STEVENS FIREARM NOT INCORPORATING AN ACCUTRIGGER, THE TRIGGER MECHANISM ON THE AXIS I IS NOT ADJUSTABLE. ANY ADJUSTMENTS MADE AFTER THE FIREARM LEAVES THE FACTORY MAY RENDER IT UNSAFE TO SHOOT AND IS THE SOLE RESPONSIBILITY/LIABILITY OF THE USER.

For your convenience, SECTION 4 describes the ACCUTRIGGER. All of the other sections are common for both.

This INSTRUCTION MANUAL has been divided into 9 sections:

SECTION 1: Safety First – It's Your Responsibility!

SECTION 2: **TWO POSITION SAFETY**

SECTION 3: Basic Functions

- Installing and Removing the Bolt Assembly
- Cocking Indicator
- Removing/Installing the Stock
- Loading and Unloading
- Firing

SECTION 4: AccuTrigger Adjustment (Axis II ONLY)

SECTION 5: Parts List and Diagram

SECTION 6: Ammunition Bullet Weights / Magazine Capacities

SECTION 7: Rings And Bases For Mounting A Scope

SECTION 8: Maintenance

SECTION 9: Statement Of Limited Warranty

Although considerable time and effort were put into assuring the accuracy of the information contained herein, human errors do occur. If an error is found, please let us know. As a 'customer driven' company, we appreciate and encourage feedback.

SECTION 1 - SAFETY FIRST - IT'S YOUR RESPONSIBILITY

Above all – remember that a firearm is a mechanical device. It cannot think, it cannot act on its own – it only does what YOU MAKE IT DO. A mechanical device has no way to know if your actions are safe or if they will result in injury or death – THAT'S YOUR PART! It only takes one careless second to result in a tragedy that you will have to live with the rest of your life. MAKE NO DOUBT ABOUT IT, owning and/or using a firearm puts YOU in full control of its actions and THEIR CONSEQUENCES!

10 COMMANDMENTS OF SHOOTING SAFETY

FOR MORE INFORMATION, PLEASE VISIT OUR WEB SITE AT: WWW.SAVAGEARMS.COM

(The following excerpts are from SAAMI bulletin #081 1MM 7/97 BP. The entire booklet can be obtained from the NATIONAL SHOOTING SPORTS FOUNDATION – WWW.NSSF.ORG)

FIREARMS SAFETY DEPENDS ON YOU!

FROM THE TIME YOU PICK UP A FIREARM, YOU BECOME PART OF A SYSTEM OVER WHICH YOU HAVE COMPLETE CONTROL. YOU ARE THE ONLY PART OF THE SYSTEM THAT CAN MAKE A GUN SAFE – OR UNSAFE.

You can help meet this responsibility by enrolling in hunter safety or shooter safety courses, if you have not already done so. You must constantly stress safety when handling firearms, especially to children and non-shooters. Develop safe shooting habits and remember, firearms safety is up to you. Make no mistake about it.
